Green Clarity Pure Botanical Renewal Candle

DESCRIPTION

A vibrant, multi-layered fragrance that weaves together the crisp herbal freshness of a Mediterranean garden with bright citrus sparkle, delicate white florals, and grounding calm — invigorating the senses while gently soothing the spirit, designed to clear the mind, uplift the mood, and restore balanced serenity.

Blend:

- ? Lavender Essential Oil — The soft, floral-herbaceous heart that calms the nervous system, eases stress, and invites peaceful relaxation.
- ? Rosemary Essential Oil — Sharp, woody-herbal clarity that energizes focus, boosts mental alertness, and stimulates circulation for renewed vitality.
- ? Eucalyptus Essential Oil — Cool, camphorous freshness that opens the airways, clears mental fog, and brings purifying, reviving energy.
- ? Neroli Essential Oil — Luxurious orange blossom sweetness, delicately floral and uplifting, known to ease everyday tension and foster emotional harmony.
- ? Jasmine Essential Oil — Rich, exotic floral sweetness that soothes the heart, enhances mood, and adds a sensual, comforting depth.
- ? Orange Essential Oil — Bright, juicy citrus zest that radiates joy, energizes gently, and lightens the overall blend with sunny optimism.

This candle releases a dynamic yet harmonious wave of aroma — starting with invigorating eucalyptus and rosemary that clear and awaken, blooming into lush jasmine and neroli florals, lifted by sparkling orange, all cradled in lavender's soothing embrace. It creates an atmosphere of refreshed clarity and gentle tranquility, evoking a sun-drenched herb garden after rain, a breezy coastal morning walk, or the quiet joy of a mindful reset. Perfect for morning meditation to sharpen focus, afternoon unwinding when energy dips, stressful moments needing both calm and clarity, or evening rituals to release the day while inviting balanced, restorative peace.
