Pain Relief Salve - Godsend Angels

DESCRIPTION

Real, Plant-Powered Pain Relief

Godsend Angels is our flagship herbal balm — and it relieves pain. Rubbed into a sore muscle, a stiff joint, or an aching back, it goes to work where it hurts. That isn't hopeful marketing: every one of its 20+ botanicals was chosen because it eases pain or calms inflammation, and the people who use it tell us the same thing — relief.

This is old craft, not a new fad. A herb-infused, beeswax-set balm is one of the most ancient forms of medicine on earth — from Galen's ointments to Ayurvedic medicated oils — and these herbs have been used to ease pain for generations across many healing traditions. We just blend them, honestly and at full strength.

Why it works — tradition and science agreeing:

- **White Willow Bark, Devil's Claw & Birch** — the original plant pain-relievers; willow bark's salicin is the natural forerunner of aspirin, and all three are well studied for easing inflammatory aches.
- **Turmeric, Ginger, Frankincense & Holy Basil** — potent anti-inflammatory botanicals that calm the inflammation behind so much pain.
- **Cayenne & Peppermint** — the warming-and-cooling counterirritant pair that works with your nervous system to turn pain down (the gate control mechanism).
- **Arnica** — the classic herbal ally for bruised, overworked tissue.

That's the power of *polyherbal synergy* — many pain-relieving plants working together on inflammation, nerve signaling, muscle tension, and circulation at once, the way Chinese and Ayurvedic formulas always have (why we use 20 herbs in one formula).

Crafted with intention:

> - *Olive Oil, Beeswax, DMSO (wood-derived), Emu Oil*

> - *The herbal blend:* ***Arnica, Rosemary, Marjoram, Turmeric, Ginger, Birch Leaf & Bark, Cayenne Pepper, Oregon Grape Root, Hawthorn, Lemongrass, Holy Basil, White Willow Bark, Peppermint, Valerian Root, Skullcap, Cramp Bark, Devil's Claw, Cinnamon, Frankincense, Black Pepper, plus our proprietary essential-oil blend.***

What people reach for it to relieve:

- **Sore, aching muscles** — from workouts, work, or a long day
- **Stiff, achy joints** — eased and loosened
- **Back, neck & shoulder pain** — massaged into the tight, painful places
- **Nerve-related and post-activity discomfort** — calmed at the source

Bonus everyday uses customers love:

- **Scalp & hair** — massaged in to nourish and support a healthy scalp (rosemary, peppermint, holy basil)
- **Minor bruises & bumps —** a soothing recovery rub
- **Dry, irritated skin** — deeply moisturizing and calming
- **Full-body massage balm —** turns any massage into something special

Small-batch, all-natural, full-strength — honest, plant-based pain relief from a tradition far older than the pharmacy shelf.

Disclaimer

Godsend Angels Salve is a handcrafted herbal preparation for the topical relief of everyday muscle and joint pain, soreness, and stiffness. It is not intended to diagnose or treat any disease, and it is not a substitute for medical care for a serious or persistent condition.

We recommend consulting a qualified integrative healthcare professional before use, especially if you are pregnant, nursing, have sensitive skin, a medical condition, or take any medications.

Important Safety Information:

- For **external use only**. Do not ingest.

- Apply only to **intact, unbroken skin**. Avoid open wounds, mucous membranes, cuts, irritated, or damaged skin.
- Perform a **patch test** before first use: apply a small amount to a small area of skin and wait 24 hours.
- Contains **DMSO** (a powerful penetration enhancer) which can increase absorption of the herbal ingredients. Wash your hands and the application area thoroughly before use, so contaminants are not carried into the bloodstream with the DMSO.
- May cause a temporary **garlic-like taste or odor** on the breath and skin.
- Use caution if you are **pregnant, nursing, have liver or kidney issues, aspirin sensitivity, bleeding disorders, or take blood thinners**.
- **Discontinue use if you experience excessive irritation**, burning, rash, or discomfort.
- **Consult your healthcare provider** before use if you have any medical conditions or take medications.
- Keep out of reach of **children**. Store in a cool, dry place.

Ingredients are natural, but individual sensitivities can occur. Results may vary. Always use as directed.
