

20 Herbs, 1 Pain Relief Tincture - Godsend Angels

DESCRIPTION

A Heavenly Fusion of Nature's Most Powerful Herbs

Step into divine relief with **Godsend Angels Tincture** — the fast-absorbing liquid form of our beloved herbal masterpiece.

This highly concentrated tincture delivers the same powerful proprietary blend of over 20 extraordinary botanicals, now extracted in a potent liquid form for faster absorption and systemic support.

Crafted with Intention:

- **Base:** Vodka and Vegetable Glycerin (alcohol-free glycerin version available upon request)
- **The Divine Herbal Arsenal:** Arnica, Rosemary, Marjoram, Turmeric, Ginger, Birch Leaf & Bark, Cayenne Pepper, Oregon Grape Root, Hawthorn, Lemongrass, Holy Basil, White Willow Bark, Peppermint, Valerian Root, Skullcap, Cramp Bark, Devil's Claw, Cinnamon, Frankincense, Black Pepper + our secret proprietary blend of essential oils.

Taste & Experience:

You'll notice a pleasant **spicy warmth** from the Cayenne, Ginger, and Black Pepper — but it's very tolerable and balanced beautifully by the natural sweetness of the vegetable glycerin. Most customers actually enjoy the taste and describe it as "not awful at all — actually quite nice" with a clean, healthy feeling that follows.

How to Use:

Take **1–2 droppers** (approximately 1–2 ml) under the tongue or mixed in a small amount of water, **2–3 times daily**, or as needed.

For best absorption, hold under the tongue for **30–60 seconds** before swallowing.
