Herbal Daily Detox Tincture - Awakened Purity

DESCRIPTION

A Deep, Gentle Whole-Body Cleanse

This blend supports and strengthens your body's own cleanup crew — liver, kidneys, lymph, and blood — as they clear what modern life loads in. It cleanses the way the great traditions always did: thoroughly but gently, never by force, supporting the organs rather than flogging them.

The blend:

- **Dandelion Root** — the classic bitter liver-and-bile herb of Western folk medicine.
- **Burdock Root** — the traditional blood-and-lymph "alterative," long used for clear skin.
- **Milk Thistle** — the time-honored herb that supports and protects the liver.
- **Eleuthero Root** — an adaptogen so cleansing doesn't leave you depleted.
- **Ginger** — warming and settling for digestion.
- **Lemon Peel** — bright, aromatic, and rich in plant compounds.

What it does: supports your liver, kidneys, and lymph, helps your body clear waste and toxins, eases sluggish digestion, and leaves you feeling lighter, brighter, and clearer.

How to use: take 1–2 droppers (about 1–2 ml) under the tongue or in a little water, 2–3 times daily or as needed. For best absorption, hold under the tongue for 30–60 seconds before swallowing. Shake well first.
