Let Karma Fix It T-Shirt

DESCRIPTION

Sometimes the best revenge is… doing absolutely nothing.

This bold and witty unisex t-shirt features the powerful mantra:

"I AM GOING TO LET KARMA FIX IT… BECAUSE IF I FIX IT, I'M GOING TO JAIL."

With a striking cosmic design of a glowing pentagram flanked by triple moons, this shirt is perfect for those who believe in spiritual justice, good energy, and a little bit of dark humor.

Whether you're manifesting peace, protecting your peace, or just keeping it real — this shirt says it all with style.

Let Karma do the heavy lifting.
